12:00 – 1:00 p.m.

## Autism Eligibility & School Services

Speaker:

**Stacie Whitaker, MEd**

Director of Special Services  
Region 8 Educational Service Center

### OBJECTIVES:

At the end of this presentation, participants should have increased information to describe the Federal and State Regulations involved in defining an eligibility of autism in the school setting, identify areas discussed by the school's IEP/ARD Committee to determine strategies needed to meet individual student needs, examine resources utilized in the school setting to provide educators, parents, and the community peer-reviewed research-based educational programming practices, and explain the role of the primary care provider in the early intervention of children with autism.

*This series is designed for physicians, residents and medical students and is available to other healthcare professionals with an interest in the program being presented.*

The University of Texas at Tyler Health Science Center is accredited by the Texas Medical Association to provide continuing medical education for physicians.

The University of Texas at Tyler Health Science Center designates this live educational activity for a maximum of **1.0 AMA PRA Category 1 credit**™. Participants should only claim credit commensurate with the extent of their participation in the activity.
