Noon – 1:00 p.m.

Recognizing and Treating Eating Disorders in Primary Care

Speakers:

E'leyna Garcia, PhD & Joseph Shotwell, MD

Department of Psychiatry and Behavioral Sciences

The University of Texas Medical Branch

OBJECTIVES:

At the end of this presentation, participants should have increased information to provide background of eating disorders, identify clinical symptoms, discuss assessment and diagnosis process, identify varying levels of care, discuss treatment interventions: psychotherapy and pharmacotherapy, and discuss psychoeducation for patients and caretakers.

This series is designed for physicians, residents, and medical students and is available to other healthcare professionals with an interest in the program being presented.

The University of Texas at Tyler Health Science Center is accredited by the Texas Medical Association to provide continuing medical education for physicians.

The University of Texas at Tyler Health Science Center designates this live educational activity for a maximum of **1.0 AMA PRA Category 1 credit**™.

Participants should only claim credit commensurate with the extent of their participation in the activity.

The University of Texas at Tyler is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

Nurses who attend the entire live educational activity and submit a completed evaluation will receive one contact hour.
