12:00 – 1:00 p.m.

# When Children Refuse School

**Speaker:**

**Stephanie Simmons, PsyD**

Psychology Internship Training Director / Assistant Professor  
Department of Psychiatry and Behavioral Medicine  
The University of Texas at Tyler Health Science Center

### OBJECTIVES:

At the end of this presentation, participants should have increased information to define the spectrum and etiology of school refusal behavior in children and adolescents, discuss a multi-tier model for problematic school absenteeism, identify behavioral interventions for school refusal behavior, and discuss methods to collaborate with schools to support return to school.

*This series is designed for physicians, residents and medical students and is available to other healthcare professionals with an interest in the program being presented.*

The University of Texas at Tyler Health Science Center is accredited by the Texas Medical Association to provide continuing medical education for physicians.

The University of Texas at Tyler Health Science Center designates this live educational activity for a maximum of **1.0 AMA PRA Category 1 credit**™.

Participants should only claim credit commensurate with the extent of their participation in the activity.
