Child Psychiatrists Offer Free Ethics CMEs

You can request ethics CMEs for your team, hosted in person or virtually! Just contact us to schedule a **30-minute (0.5 CME)** or **1-hour (1 CME)** session at time that's convenient to you.

There is a critical and enduring shortage of child psychiatrists and mental health specialists to meet the needs of children and youth.

CPAN is your collaborative care partner! Collaborative consultation is becoming a recommended best practice to address patient mental health conditions.

Learn about collaborative care outcomes and how to develop an action plan for utilizing CPAN—the state-funded collaborative care model—to feel more confident with basic mental health care for your patients.

To consult or schedule an ethics CME, simply contact your regional team.
