Projects in Process

- Assessment Automation - Working with Trayt and HRIs to roll out the automation of all the approved assessments.
- On site Operations Support– working with teams on continuity of operations, support for increase in referrals for the new school year, integration of intermediate services, and support in teams where there is leadership transition to help keep programs running smoothly.
- Intermediate Services– Launching work groups to look at smooth integration of intermediate services and support.
- TEA and ESCs – Working with HRIs, ESCs and TEA to continue to engage with schools, and look at ways to create stronger links and support TCHATT and schools in service delivery.
- Conferences - Working with HRIs to support conference participation to promote awareness of TCHATT and outreach to help teams needing to hire for open positions.
