CPAN PeriPAN Psychiatry Shift Roles and Cross HRI Coverage Policy

TCMHCC Executive Committee Meeting
July 31, 2025

Policy Outline

This policy sets forth requirements and guidelines for psychiatry shift roles and coverage for CPAN/PeriPAN phone consultations from other health-related institutions.

The policy covers:

- Psychiatrists' role while on shift
- Expectations for requesting coverage support due to vacation, illness or current consultations
- Incidences in which an HRI may request coverage support of another HRI and the process of requesting this coverage support
- Monitoring of outside coverage requests and missed phone consultations

Key Changes

- If needed, COSH may assign an HRI to cover, based on review of the coverage calendar, to ensure adequate staffing and coverage of calls across the state.
