Policy Outline

This policy sets forth requirements and guidelines for the dissemination of Consortium data and data reports.

The policy covers:

- Data dashboards

- Data reports

- Access to and dissemination of data

tcmhcc
Texas Child Mental
Health Care Consortium

Key Changes Since Last Meeting

- Moved paragraphs from Purpose to Policy and Scope; revised Purpose

- Revised Scope to be clear about programs and exclusions

- Moved paragraph from Data Dashboards to Usage of Data, a newly created section

- Added a section about workgroups and their access to HRI-level data

- Added CHC as a group with access to presentation dashboards

- Added CHC definition

- Changed COSH and Medical Director/Program Hub definitions to align with redefined scopes
