

In accordance with House Bill 6, 89th Legislature, Regular Session, the Texas Child Health Access Through Telemedicine (TCHAT) program is required to post a quarterly list of health care providers to whom participants may be referred. This list is published on the Texas Child Mental Health Care Consortium (TCMHCC) website and reflects information accurate as of August 25, 2025. Please note that this list may not reflect the most current provider information. Resources are reviewed and updated at the time a referral is made
